

UBUNTU *Niagara*

"In Africa there is a concept known as Ubuntu, the profound sense that we are human only through the humanity of others." - Nelson Mandela

UBUNTU NIAGARA supports and promotes this ancient philosophy. Our individual lives are strands woven into the fabric of all life; connections among people are far stronger than any human-made boundaries that attempt to divide us.

We Are One – We Are All connected

UBUNTU NIAGARA came into being in 2015. It grew out of the former St. Andrew's United Church (Port Dalhousie) Healing and Meditation Group in 2006; WomEnchant Chorus & Drummers got involved in 2008, becoming an integral partner in raising awareness and funds for enabling our African sisters, brothers and children to overcome effects of HIV/AIDS.

UBUNTU NIAGARA has three main goals:

To raise funds in support of the Stephen Lewis Foundation for its work with front line, community-level organizations that are turning the tide of HIV/AIDS in sub-Saharan Africa.

To create awareness and understanding of the plight of our African sisters, brothers and children whose lives and communities are devastated by AIDS.

To involve the Niagara community in our endeavours. Our public Facebook group, UBUNTU NIAGARA, is an important part of our communication strategy for this purpose.

Membership in UBUNTU NIAGARA is open to all who wish to give of themselves in the spirit of UBUNTU. Committee members participate knowing that all our work, individual or collective, is on behalf of, and benefits only our African sisters, brothers and children.
