Ontario, L0S 1J0

November 20, 2021

Dear

When, in 2020, UBUNTU Niagara appealed to you and previous donors for financial support of the work of the Stephen Lewis Foundation (SLF) toward eradication of HIV/AIDS in Africa, there was hope that by International World AIDS Day, December 1st, 2021, the return to normalcy would enable resumption of our primary annual fundraiser initiative for the Foundation. Those hopes were shattered by the dangerous persistence and the associated uncertainties created by the Covid-19 pandemic.

Unfortunately, the troubling period since 2019 has made it impossible for WomEnchant Chorus & Drummers and their *Artistic Director, Laura Thomas* - to feature in a World AIDS Day fundraiser event for SLF. While we are hopeful for an in-person Benefit Concert next year, UBUNTU Niagara wishes first to thank you for your support last year, and to renew our appeal for a financial donation to SLF this year.

It is your generous support which makes the work of the foundation possible. Even more money is needed now to respond to the HIV/AIDS pandemic in Africa, made more dire by the additional impact of the Covid-19 pandemic. **As the kindness of your heart influences the amount of money you give, the fact that you give is more meaningful.**

SLF will issue a tax receipt for donations of \$20 or more. A stamped addressed SLF donation card is enclosed to expedite your giving and to strengthen our resolve. The bookmark which is also enclosed is a token of our appreciation for your support of our fundraising campaign.

We send light for your personal health and safety. On behalf of all the beneficiaries of your empathy and generosity, THANK YOU FOR DONATING.

Namaste,

Agnes E. Liles
